20.04.15 № 15-02-123/15

To Mr. Nikola Berlucci

We are honored to invite you to participate in the Second Moscow International Forum "Culture. Look into the future", which will take place on October 15-18, 2015 in Moscow at the Central Exhibition Hall Manezh (Manezhnaya Sq., 1).

The mission of our Forum is to consolidate artists and cultural managers all over the world, enlarge and improve regional cultural collaboration.

Today, after several decades of silence, you can notice great changes in cultural environment of Moscow. But, despite all these changes, the progression on cultural environment of our city is far from being complete. That is why it is important to keep discussion the cultural development of Moscow and motivate people to take part in it.

Forum program includes several sections dedicated to implementation of the city's cultural policy, concepts and programs for the development of museums, libraries, parks and open spaces, exhibitions, theaters and cultural centers.

Your participation would be highly appreciated and would enable us to exchange unique cultural knowledge.

Sincerely Yours

Konstantin Petrov, head of protocol
